Maximize Your Nonprofit's Impact

Governance Services

A good, strong Board can be the lifeblood of a nonprofit. A passionate and motivated Board member can make all the difference in the world. Finding them, keeping them, and motivating them is crucial. Our team evaluates the effectiveness and efficiency of governance within your nonprofit. We train, equip and guide nonprofit Boards to ensure your organization is effectively governed so you can fulfill your mission and vision.

“Soukup Strategic Solutions helped the De LaSalle Academy Board move forward. It's remarkable how your approach reoriented our Board members' thinking and inspired constructive action. Our meetings are now productive sessions and we're using Board time more effectively. We have also expanded our Board, as per your recommendations, adding key people who now address uncovered responsibilities. Soukup has really made a difference for our school.”
